## **JUNIOR GROUP: (born 2015-2012 all levels) 8:45-15:30pm**

The Junior development program is designed to provide players with an opportunity to enhance their individual skills in a positive, learning environment. The primary focus of the program is centered around on-ice fundamental skills, balance, edge control and all puck skills.

**This program includes 3 hours on ice daily:**

50 minutes of POWER SKATING  
50 minutes of puck drills and individual tactics  
50 minutes of small space games and scrimmage.

## **SENIOR GROUP: (born 2011-2008 all levels) 8:45-15:30pm**

Our Senior Program is designed for the more accomplished player who is ready to participate in game-like situations. Refinement of individual skills and an intro to individual tactics is the focus. Small space games are used to help the players understand proper offensive and defensive responsibilities.

**This program includes 3 hours on ice daily:**

50 minutes of POWER SKATING  
50 minutes of puck drills and individual tactics  
50 minutes of small space games and scrimmage.

## **ELITE GROUP: (born 2007-2004 all levels) 8:45-15:30pm**

Our "Elite Group" focus is on advanced skating techniques and puck skills. Players are taught how to effectively "read and react" at high speeds to various offensive and defensive situations.

**This program includes 3 hours on ice daily:**

50 minutes of POWER SKATING  
50 minutes of puck drills and individual tactics  
50 minutes of small space games and scrimmage.
